Commerce TPS Question Scraping Setup

https://gemini.google.com/app/479891d0d80d012e

User prompt: here's full commerce TPS scanned properly to scrap commerce questions.

Response: The complete **Std. XII Commerce Information Technology (TPS)** textbook and question bank PDF has been processed.

The book covers all chapters and examination components according to the Maharashtra State Board syllabus:

1. **Chapter 1:** Advanced Web Designing
2. **Chapter 2:** Digital Marketing
3. **Chapter 3:** Computerised Accounting with GST
4. **Chapter 4:** E-Commerce & E-Governance
5. **Chapter 5:** Database Concepts using LibreOffice Base
6. **Chapter 6:** Enterprise Resource Planning (ERP)
7. **Practical Handbook & Model Question Papers**

How would you like the questions scraped and organized?

1. **By Specific Chapter** (e.g., scrape all questions from *Chapter 3: Computerised Accounting with GST* or *Chapter 2: Digital Marketing*).
2. **By Question Format / Board Exam Structure**:
    - Fill in the Blanks (FIB)
    - State True or False
    - Multiple Choice Questions (Single Answer, 2 Correct Answers, 3 Correct Answers)
    - Match the Columns / Pairs
    - Brief Theory Questions
    - HTML/CSS Code Programs
3. **Past Board Exam Questions Only** (specifically targeting the questions tagged `[March 2022]` or previous years).
4. **Structured Export** (e.g., formatted for Markdown study sheets, CSV/Excel table format, or JSON for flashcards/quiz apps).

Specify your preferred format or chapter to begin.
